

REPORT ON **UCLA POLICE** REPRESSION

While we recognize this report describes disturbing police violence, it is incomparable to the current daily struggles faced by people in Gaza. While an injured pro-Palestine protester could receive medical treatment in a well-stocked hospital, there's no fully-functional hospital left in Gaza.

WHAT DOES BEING ARRESTED MEAN?

8

HOURS TO PROCESS

UCPD **increases processing time** for Palestine-related arrests. While processing, Arrestees are handcuffed, subjected to sustained harassment, have their gender identity disrespected, and denied access to water, and a private bathroom. Arrestees are usually transferred to **furthest available jail**.

DENIAL OF ATTORNEY VISIT

↳ Yes. This is a denial of basic civil rights.

SLOW CHARGING PROCESS

↳ Silenced on speaking about arrest, **must show up to court.**

UCLA PD DOXES ARRESTEE

↳ UCLA Police **publishes** every arrestee name.

(No other UC has this practice)

They **beat the hell** out of some students when making the arrests. When they were cuffing us, they **yanked the ziptie** so ridiculously tight that many people's hands were **bloating** and **turning blue**. We were left in zipties behind our backs for **11 hours**. Four of those hours were in a bus with no access to the bathrooms. One girl **pooped her pants...** she would have to be in these clothes **all day**. Anytime you asked for the smallest of accommodations they would refuse or tell you to "Sit down and shut up." Then they **dragged** and **dragged** the booking process so ridiculously so much so we had to stay as long as possible. At one point, one of the cops straight up told me, "**We're making this really uncomfortable...** so you don't do what you did again, because your charge will probably be dropped by the District Attorney"

626 BANS ISSUED

§626.4 and §626.6 bans are extremely vague, banning someone from **all university property** for up to **two weeks** for supposedly being a “threat to campus” with **no required evidence or hearing**.

The background of the entire slide is a dark, grainy photograph of police officers in riot gear. They are wearing helmets with visors and carrying shields. The scene appears to be a crowd control situation, possibly at a protest or a campus event. The lighting is low, with some bright spots reflecting off the officers' gear.

CONSTANT EVICTION THREAT

↳ "Ban from campus" applies to University Housing.

FORCED CLASS/WORK ABSENCE

↳ UCLA Administration never grants "appeals" to §626 Campus Bans.

CONSTANT FEAR OF ARREST

↳ UCLA campus boundaries aren't clearly defined. Visiting the hospital could lead to arrest.

A background image showing riot police in full riot gear, including helmets with visors and shields, standing in a line. The scene is dimly lit, with some light reflecting off the helmets and shields.

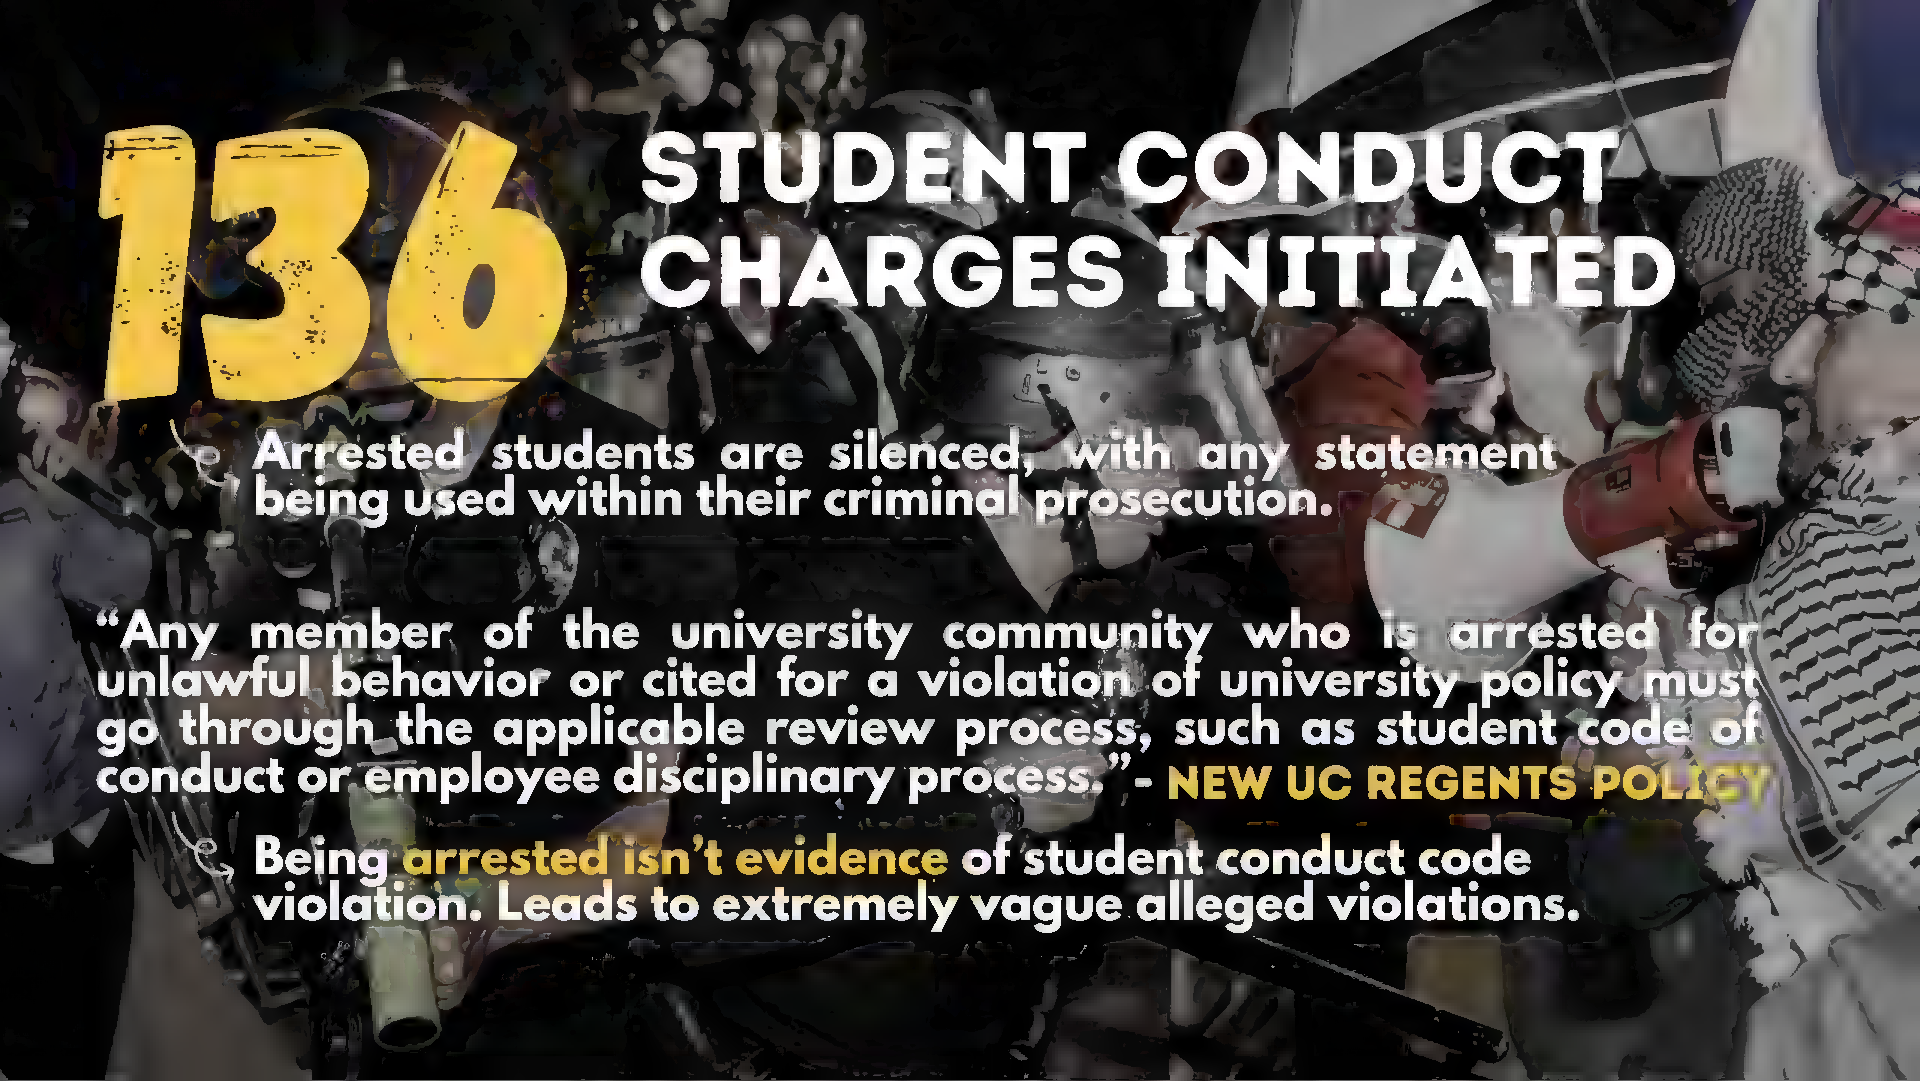

**SINCE THE

626 BAN'S LEFT VAGUE

UCLA administration continually **refuses** to clarify §626 ban process, sidestepping shared governance principles.

626 BAN'S USE WIDELY EXPANDED

Administration silently altered the §626 ban procedure to increase usage.

STUDENT CONDUCT CHARGES INITIATED

Arrested students are silenced, with any statement being used within their criminal prosecution.

“Any member of the university community who is arrested for unlawful behavior or cited for a violation of university policy must go through the applicable review process, such as student code of conduct or employee disciplinary process.” - **NEW UC REGENTS POLICY**

Being **arrested isn't evidence** of student conduct code violation. Leads to extremely vague alleged violations.

ZERO

EVIDENCE

All cases have **no individualized evidence**.

10⁺

DEGREES WITHHELD

Some students faced significant **financial** difficulties due to **work complications** from withheld degrees.

“The university will reinforce existing guidelines that minimize police presence at protests, follow de-escalation methods in the event of violence and seek non-urgent mutual aid first from UC campuses before calling outside law enforcement agencies”
